

Network at Noon

A Lunch Meeting that WORKS!

What's one of the best ways to spend the lunch hour.....at the Charles County Chamber of Commerce's Network at Noon, the lunch meeting that works!

The Chamber offers empowering networking events geared not only to expand your business connections, but also offer valuable business insight as well!

Our networking lunch is a simple solution for those who want to network with other professionals to share information and introduce yourself and your business. Surround yourself with other successful likeminded individuals and increase your visibility to prospective clients and referral sources.

For a minimal risk, the cost of lunch, you will have the opportunity to showcase your business, make some worthwhile contacts and learn more about Empowered Networking!

Bring plenty of business cards, brochures and flyers to promote your business. There will a table available for promotional materials.

Pre-register no later than one week prior to the event and your name and contact information will be placed in the Network at Noon Networking Guide.
